Table: Details of NETFISH activities

Highlights of the Month

- Conducted **52 nos. of Harbour based awareness programs** in various regions.
- Conducted **2 nos. of Dry fish awareness programs** in Tamil Nadu South region.
- Conducted **1 no. of preprocessing center programs** in Kerala South region.
- Conducted **2 nos. of Capacity building training programs for SC Fishers** in Kerala North & Karnataka region.
- Conducted a **TED Measurement and Inspection training program** for Department Fisheries Officials at Gujarat and Daman Diu.
- Under the Paradeep Port Authority CSR fund project, a **workshop on Square mesh cod end and TED** were conducted for fishers.
- Conducted **3 nos. of seafood processing plant training program** in Gujarat & West Bengal and received Rs. 30000/-as training fee.
- 133 nos. of awareness classes on Hygiene & Conservation were organized through the Harbour Data Collectors at respective harbours.

State/Region wise details of Activities during the month

The activities conducted by NETFISH in various state/regions during August 2026 are listed in the table below and described in the subsequent sections.

Type of Program	WB	OD	APN	APS	TNN	TNS	KLS	KLN	KA	GOA	MH	GJ
GENERAL FUND PROGRAM												
Fishing Harbour based program	7	2	3	4	5		10	7	5	2	5	2

Fishing Harbour Based Program at Paradeep

A workshop on “Usage of Square Mesh and Turtle Excluder Device (TED) in Fishing Vessels in Odisha” was organized by MPEDA–NETFISH on 19 August 2026, with the CSR Fund support from Paradeep Port Authority (PPA). The programme was attended by officials from PPA, the Odisha Fisheries Department, MPEDA, NETFISH, representatives of OMFPA, trawler owners, fishing vessel operators and other stakeholders. The workshop focused on creating awareness about the proper installation, operation and maintenance of Square Mesh Codend and TED to promote responsible fishing, reduce juvenile and non-target species capture, and support marine turtle conservation. The participants appreciated the initiative and emphasized the need for continued awareness programmes and wider adoption of these conservation devices along the Odisha coast.

IMPACTS

- Due to the continuous efforts of MPEDA-NETFISH, the catch at Vizag Fishing Harbour is now being packed with sufficient ice for transportation to minimize post-harvest loss. Finely crushed ice is being used to ensure effective chilling.

A One-Day Training Programme on TED Measurement and Inspection was conducted by MPEDA-NETFISH on 12 August 2026 at Hotel Daksh, Veraval, Gujarat, in collaboration with the Department of Fisheries, Government of Gujarat and Daman & Diu (UT), and ICAR-CIFT, Veraval. The programme aimed to train Fisheries Department officials in TED measurement, inspection, installation and implementation as per US-NOAA standards. A total of 40 Fisheries Officers from Gujarat and Daman & Diu (UT) participated. Technical sessions were handled by MPEDA-NETFISH and ICAR-CIFT experts, followed by a hands-on practical session where participants independently measured and inspected TEDs under expert supervision and clarified their technical queries. The participants actively engaged in the programme and expressed that the training enhanced their understanding of TED measurement and inspection procedures and helped resolve their doubts regarding field-level implementation and compliance.

Sl.No:	Effort taken	Result/ Status
1	Conducted training programme for Processing workers at M/s.. Hiravati Marine Products & M/s. Silver Star Exports, Porbandar	Received Rs. 20,000/- as training fee

IMPACTS

- As per the request of the President of Mahavir Cooperative Society, Mangrol, CE, NETFISH distributed plastic waste collection bags to boat crews during his visit to Mangrol Fishing Harbour. This initiative was started under the proper guidance of NETFISH in November 2021. The society has been collecting 15-20 MT of plastic waste annually from various Fishing Vessels and disposing of it properly.
