Table: Details of NETFISH activities

Highlights of the Month

- Conducted **27 nos. of Harbour based awareness programs** in various regions.
- Conducted **16 nos. of Dry fish awareness programs** in West Bengal region.
- Conducted **1 no. of Capacity building training program for SC Fishers** in Kerala South region.
- Conducted **2 nos. of Sea food unit training programs** in Odisha and an income of Rs.20,000/- is generated for NETFISH as training fee.
- Conducted **26 nos. of awareness programs, 9 nos. of Boat to Boat campaigns and 2 nos. of onboard fishing trials** in various regions for the **adoption of TEDs** by the fishers.
- Conducted **5 nos. of New Mangalore Port Authority Funded TED awareness program** in Karnataka region.
- Conducted **3 nos. of MFHMS Funded awareness program** in Kerala North region.
- Conducted **6 numbers of One day workshop on “Hygiene and cleanliness”** to the Management staff and processing workers in connection with **Swatchta Pakhwada 2025**.
- **213 nos. of awareness classes** on Hygiene & Conservation were organized **through the Harbour Data Collectors** at respective harbours.
- NETFISH SCOs have coordinated and act as trainers for conducting **28 Value Addition Training Programs** by MPEDA field offices

State/Region wise details of Activities during the month

The activities conducted by NETFISH in various state/regions during November 2025 are listed in the table below and described in the subsequent sections.

Seafood unit program at Balasore

NETFISH Participated in World Fisheries Day celebration organized by Department of Fisheries, Govt. of Odisha in Bhubaneswar, by arranging an awareness vehicle with TED and square mesh promotion materials which was flagged off by Shri Gokulananda Mallik, Honorable Minister of Fisheries and Animal Resources Development & MSME, Govt of Odisha

The decorated vehicle was further utilized to conduct mobile campaigns to create awareness on TEDs and square mesh cod ends across major fishing harbours of Odisha, including Paradeep, Balaramgadi, Bahabalpur, and Dhamara. Through demonstrations, interactive meetings, and distribution of awareness materials, fishers, trawl operators, and harbour workers were educated on the importance, legal requirements, and correct installation of these devices. The campaign highlighted the benefits of TEDs in reducing turtle mortality, minimizing by-catch, and improving catch quality, and received strong support from fisheries officials and stakeholders, leading to positive fisher response and improved readiness for smooth implementation of TEDs under PMMSY.

TED awareness program at Paradeep

On 6th November 2025, a workshop was organized at *M/s Maa Nachinda Seafood Pvt. Ltd.*, Dhamara, with 50 participants. The sessions led by SCO NETFISH focused on hygienic processing, export-quality standards, and responsible waste management. The activities conducted included an awareness session focusing on the concept of Swacchhata Pakhwada and its relevance specifically within seafood processing. This was followed by a demonstration of essential personal hygiene practices and detailed cleaning procedures for both equipment and work areas. Furthermore, the participants were exposed to a display of posters and slogans promoting hygiene and sanitation, and the session concluded with all the participants taking the 'Swacchhata pledge' fostering "Clean Seafood, Safe Food."

NETFISH conducted a TED onboard trial at Bhairavapalem, with 26 participants from the fisheries department, boat owners, and crew. Using two trawl vessels, one with TED and one without, the trial showed that the TED-fitted net achieved better shrimp catch, minimal escapement (2–3% of small juvenile fish), and less debris compared to the non-TED net. Coordinated by officials from MPEDA-NETFISH and the State Fisheries Department, the event received positive feedback from fishermen, who acknowledged the TED's efficiency. NETFISH provided caps, gloves, food, and refreshments for all participants.

Swacchhata Packhwada workshop on Hygiene and cleanliness

NETFISH and MPEDA SRD Kakinada conducted a workshop on 6th November 2025 at M/s Ameya Seafood Frozen Foods Pvt. Ltd., Tadimalla, West Godavari. Led by SCO, NETFISH, the programme consisted of awareness on importance of swacchhata, hygiene and cleanliness, demonstration on hand washing and

a Swacchhata Pledge marking their commitment to routine cleanliness. Fifty-five processing workers are other staff of the company participated in the training and they received T-shirts, caps, and refreshments.

TED awareness program at Machilipattinam & Nizampattinam

A workshop was held on 6th November 2025 at M/s Abad Overseas Exports Pvt. Ltd., Nizampatnam, in association with RD Vijayawada. SCO, delivered detailed sessions emphasizing the importance of personal hygiene, workplace sanitation, and waste management in maintaining seafood quality and ensuring food safety. Presentations and videos reinforced best practices. The workshop concluded with 45 participants taking a “Swacchhata Pledge”, reaffirming their commitment to uphold cleanliness, hygiene, and environmental responsibility at their workplaces and in daily life.

Harbour program at Mudasalodai

Dry fish program at Nagapattinam

TED on board trial program at Pazhayar

- Conducted an on-board demonstration and comparative trial of the TED at Pazhayar Harbour on 11th November 2025. Two trawlers—one fitted with TED and one without—were operated under identical fishing conditions, and the catch quantity, quality, and species composition were systematically compared. The trial showed no significant difference in catch quantity or quality, confirming that TED use does not affect fishing efficiency. The programme effectively enhanced fisher awareness on marine turtle conservation and promoted acceptance of TEDs as a sustainable fishing practice.

Swacchhata Pakhwada workshop on Hygiene and cleanliness

- Conducted a one-day workshop on 6th November 2025 at *M/s JCC Marine Exports*, Mela Arasadi, Tuticorin. The programme was attended by 40 participants including workers, supervisors & Managerial officials. SCO NETFISH handled the technical session and detailed the steps to be followed in hygienic handling including personal hygiene aspects. Hands on training on hygienic cephalopod processing and clean handling were provided to the participants. The participants were enlightened on the importance of cold chain, use of good quality and sufficient ice and scientific aspects of seafood processing. Rubber aprons and certificates were provided for the participants.

As part of Swachhata Pakhwada 2025, MPEDA-NETFISH Maharashtra region had organized a one-day workshop on 14th November 2025 at M/s VKM Foods Pvt. Ltd., Navi Mumbai, for seafood establishment workers, supervisors, and managers, with participation from 75 industry personnel. The workshop highlighted the importance of hygiene, sanitation, safe seafood handling, and responsible waste management, with technical sessions and motivational addresses by MPEDA, NETFISH officials, and company dignitaries. The program reinforced cleanliness as a daily discipline and a collective social duty, contributing to improved practices and a cleaner, healthier work environment.
